**Public Notification of an Application
made to the Environmental
Protection Agency in relation to
Quinn Cement Ltd. Scotchtown
Ballyconnell, Co Cavan**

Notice is hereby given that the Department of the Environment has been advised that the Environmental Protection Agency (EPA) has received an application for a review of an (PPC) Licence to recycle up to 55% of the coal burned at the above facility with Solid Recovered Fuel (SRF), which will come from the recovery of combustible material from municipal waste arising from surrounding waste transfer facilities and material recycling facilities.

Information on the application and associated correspondence, including an assessment of the environmental effects of the proposal, is available on the EPA's website, www.epa.ie. A copy of the application may also be viewed, upon request to the EPA. The register number in this case is P0378-02.

Written representations about the application may be sent to the EPA at the address below or by e-mail, within 42 days from the date of this Publication. Please quote the register number in all correspondence.

Ms Ana Bolger, Administrative Officer, Environmental Protection Agency, PO Box 3000, Glenties Castle Estate, County Wexford or a.bolger@epa.ie.
