Reg No. P0001-03 IPPC licence Review

Applicant : SmartPly Europe Limited, Belview, Slieverue, County Kilkenny
Nature of development : the production of board (including fibre-board, particle board and plywood) with a production capacity exceeding 20 tonnes per day and the operation of combustion installations with a rated thermal input equal to or greater than 50 MW.

Having examined the conditions of the current licence which is under review I have no comments to make on this application at this time.

Richard McGrath
