**Re: EPA (Licensing) Regulations, 2004-2010.
IPPC Licence Consultation Report**

Name and address of applicant: Mr. Michael Quinn, Cooloughra,
Ballyhaunis, County Mayo.
Location of facility: Cooloughra, Ballyhaunis, County Mayo.
Class & nature of activity: The rearing of poultry in installations,
whether within the same complex or within
100m of the same complex, where the
capacity exceeds 40,000 places.
Relevant Inspector: Not advised.
Reference Number: P0970-01.

Assessment of the licence application is based on documentation submitted to this
office on 25th Sept 2012.

A site visit was conducted on 23rd October 2012.

No additional investigations/measurements were undertaken.

All commitments to current and future actions including mitigation measures have
been taken as read.

Only aspects of the application relevant to the HSE Env. Health section were
considered.

Assessment Outcome:

The HSE has no significant concern regarding health impacts of the activity at this
facility subject to the application of normal licensing conditions being applied to
control and monitor:

1. Emissions to air. Particularly the potential for odour from rearing houses.
2. Generation, handling and storage of litter and slurry on-site, prior to removal
as organic fertiliser.
3. Total separation of rainwater from soiled water.
4. Site management of pests to include rodents and flying insects.
