Tara,

Following on from your phone call yesterday afternoon can you change the condition to the following:

"An independent Marine Mammal Observer, with relevant expertise, shall accompany the dredge / dump vessel(s) around or below Foynes to monitor and record the activity of dolphins..."

Best regards

David

Good afternoon David,

Further to recent comments received from the DAU (attached) in relation to Dumping at Sea Permit Application Reg. No. S0009-02 from Shannon Foynes Port Company, I would be grateful if you could clarify whether the recommended condition regarding monitoring of marine mammals applies only to the loading and dumping activity at Foynes.

Kind regards,

Tara
