EIS REPORT

Environmental Health Service Consultation Report
*(as a Statutory Consultee (Planning and Development Acts 2001,
& Regs made thereunder).*

Report to:

Tara Woods A/ P.E.H.O
H.S.E. Dublin North East,
Environmental Health Service,
Ramparts Road,
Dundalk,
Co. Louth.

Type of consultation: EIS Scoping Screening (constraints)
Other (please specify) IPPC

Planning Authority:

Louth County Council

Reference Number:

P0863-02

Applicant:

Quinn Energy (Ballykelly) Limited, Gortmullen, Derrylin. County Fermanagh.

Proposed Development:

The operation of combustion installations with a rated thermal input equal to or greater than 50MW.

This office is concerned primarily with highlighting issues of public health/environmental health concern. In this regard all documents and accompanying data have been reviewed under the following headings:

- Human Beings
- Soil

- Water
- Air
- Climatic Factors
- Material Assets
- Interaction of the above.

The documents in relation to the above application have been reviewed and HSE wish to make no comments at this time.

Yours Sincerely,

Mariesa Rushe

Re: P0863-02

Name & address of Applicant: Quinn Energy (Ballykelly) Limited, Gortmullen, Derrylin. County Fermanagh.

Location: Toomes, County Louth

Class & Nature of Activity : The operation of combustion installations with a rated thermal input equal to or greater than 50MW.

Dear Ms Keavey,

Please find enclosed the HSE consultation report in relation to the above proposal.

If you have any queries regarding any of these reports, the initial contact is myself, A/Principal Environmental Health Officer who will refer to an appropriate person in the responsible department.

The following HSE department was made aware of the consultation request for the proposed development on 26th November 2012

Environmental Health Report:

The EH service response to the proposal is in the attached consultation report.

- The assessment is based on an assessment of documentation submitted by you dated 23rd November 2012 and received by this office on the 27th November 2012
- A site visit was conducted on 4th December 2012

For inspection purposes only.
Consent of copyright owner required for any other use.

- All commitments to future actions including mitigation and further testing have been taken as read and all data results have been accepted as accurate.
- This report refers only to those sections of the documents which are relevant to the HSE.

All correspondence or any queries with regard to this report including acknowledgement of this report should be forwarded to me at the above address

Yours Sincerely,

A/Principal environmental Health Officer
