Environmental protection Agency,
Johnstown Castle Estate,
Co. Wexford.

Re: Dumping at Sea Licence Ref. S0018-01 by Dublin City Council for the disposal of the excavated material generated in the tunneling operation for the construction of a long Sea Outfall to discharge treated effluent from the ringsend wastewater at Pigeon House Jetty (2) Diffuser Site (Dublin Port Company).

A Chara,

I refer to your notification with respect to the above proposed development application, please find hereunder nature conservation observations and recommendations of the Department of Arts, Heritage and the Gaeltacht, for consideration by your Authority.

Having reviewed the Environmental Impact Statement (EIS) and other documentation associated with the scheme, This Department has the following comments in relation to the predicted impacts of the proposed scheme on the archaeological heritage of the study area.

The predicted impact of the proposed scheme upon archaeological heritage is detailed in Chapter 15 of the EIS and Mitigation Measures are summarised in Section 15.7.

It is this Departments recommendation that all of the Mitigation Measures detailed are carried out in full.

Kindly forward any further information received or in the event of a decision being made a copy of same should be referred to the following address:

The Manager,
Development Applications Unit (DAU),
Department of Arts, Heritage and the Gaeltacht,
Newtown Road,

Wexford

Alternatively, documentation associated with the above can be referred electronically to the DAU at the following address:

manager.dau@ahg.gov.ie

In addition, please acknowledge receipt of these observations by return.

Is mise le meas,
