**Request for Observations under Section 173A of the Planning &  
Development Acts 2000 -2010 (as amended) on planning application Register  
Ref. P13/68.**

Dear Ms. McDonnell,

In accordance with Section 173A of the Planning & Development Acts 2000-2010 (as amended) Mayo County Council hereby requests the observations of the EPA on planning application Register Ref. P13/68 (documentation enclosed) in order to assist the council in its deliberations in relation to the determination referred to in paragraph (b) of that section of the Act and the Council will take into account any such observations when making that determination.

The development proposed in this planning application is not of a class prescribed by regulations under Section 176 of the Act and does not exceed a quantity, area or limit prescribed under those regulations.

The Council notes that an IPPC Licence for the Bellanaboy Bridge Gas Terminal was issued by the Agency (Register No: P0738-02) and currently under review.
