Dear Mr Reilly

I refer to your letter dated 12<sup>th</sup> February 2013 to Mr Gavin McGuire Assistant National Director for the Environmental Health Service of the Health Service Executive. Pursuant to Article 15 of the Waste Management (Licensing) Regulations 2004 you notified the HSE of the receipt by the EPA of an application for a waste licence from Mr Badri Gharzeddine trading as Enviro Star Solutions Unit 21, Block 613 Greenouge Ind Estate, Rathcoole, Co Dublin.

Having sought comments or submissions from other professional bodies within the HSE and having received no negative feedback; the HSE have no objection to this application.

Subject to the business complying in full to the hours and methods of operation stated within the application the view of the HSE is that the facility is unlikely to cause any dust, noise or odour complaints.

Thank you for bringing this matter to our attention.

yours sincerely

Tom Prendergast
