Re: Section 99E – Water Services Authority Response – Mayo Renewable Power Ltd, Killala Business Park, Tawnaghmore Upper & Tawnaghmore Lower, Killala, Co. Mayo. (Reg. No: P0958-01).

Dear Ms. Buckley,

I refer to your letter dated 19th April 2013 regarding the above Integrated Pollution Prevention and Control Licence Application.

I wish to inform you that the sewer referred to the IPPC application is not yet fully in the charge of Mayo County Council and therefore we are currently not in a position to complete the Section 99E response at this stage.

I have discussed the matter with Stuart Huskisson, EPA.

I trust that this response is satisfactory and if you have any queries or comments please do not hesitate to contact us.

Yours sincerely,

Larry Walsh.
