**Re: Application by Oxygen Environmental Ltd, for a licence to operate an integrated Waste Management Facility at Lismagratty and Corranure Townlands, Cavan, Co. Cavan. Your ref: W0248/01**

Dear Sir

I wish to lodge an objection to the above application on the following grounds

- The smell from the current dump is at times unbearable and will make Cavan Town almost unlivable in if it gets any worse.
- This will have a very grave effect on the value of property in the area.
- I have grandchildren growing up in the town and fear for their health if this "super dump" get the go ahead.
- The current smell is already embarrassing when friends from other areas visit and any increase in the size of the dump can only make that worse.
- I pay taxes and have done all my life and should be as entitled as anyone else in the country to live in a clean comfortable environment.

I have never lodged an objection before but feel very strongly about this.
