Re: Waste Application Licence with associated REIS
Applicant; Rehab Glassco Ltd
Reference No.; W0279-01
Location: Site 4 Osberstown Industrial Park, Caragh Road, Naas

The facility has been operating as a glass recycling facility since 2008. There have been no complaints made to the Environmental Health Service with regard to the operation of this glass recycling facility.

There are no objections to the issue of a waste licence subject to the applicants' compliance with the mitigation and suppression measures proposed in the Remedial Environmental Impact Statement regarding Dust, Noise, Litter and Vermin control.
