Preliminary Submission on the grounds of Public Health

RE: Brandon Products Ltd. Kilcolman, Asdee, Co. Kerry
Registration Number: P0957/01

Dear Ms. Kehoe,

The Department of Public Health, HSE South (Cork & Kerry) has recently been made aware of complaints of significant public health effects associated with emissions from Brandon Products Ltd.

Our preliminary information gives rise to concern that there are and/or have been significant health effects and so I am carrying out a public health assessment which will take some weeks to complete. The resulting public health report will inform the follow-up submission to the EPA. If you need more information prior to the follow-up submission, please contact me at the above address.

Yours sincerely,

Dr. Ina Kelly, MB, BCH, FRACGP, MPH, FFPHMI
