Marie,

Longford County Council is of the view that insufficient information is submitted by the applicant regarding spread lands for pig slurry produced at this facility.

In order to properly assess environmental impacts the following information should be supplied by applicant;

- List of farms where pig slurry will be spread
- Nutrient Management Plan for each farm, to include soil P test.
- Indicate if any of these farms are also used as spread lands by other piggeries owned by Kiernan family.

Regards,

Angela Brady,
Scientific Officer,
Infrastructure & Environment,
Longford Co Council
