RE: P0923-01

Dear Sir/Madam

EIA Screening Decision: *EIA, as respects the matters that come within the functions of the Agency, is required for the activity to which the above licence application relates.*

Article 2 states at;

1. Member States shall adopt all measures necessary to ensure that, before consent is given, projects likely to have significant effects on the environment by virtue, inter alia, of their nature, size or location are made subject to a requirement for development consent and an assessment with regard to their effects. Those projects are defined in Article 4.

Therefore there is no such thing as a partial Environmental Impact Assessment

Yours faithfully

Peter Sweetman
