Kevin Lynch dealt with the planning file for the application (ref 55.008/13). I have read his report. The EIS submitted with the planning application was considered acceptable to the Planning Authority and did not raise any concerns for us. The application was granted permission.

Noel

I would be obliged if you could advise on a response to this correspondence. I note that they need a response even if we have no observations to make.

Regards
Sheila

Sheila,

Would you ask Noel Sheridan to have a look at this and let us know what, if any, response needs to be made. If he contacted Kevin Lynch he might be able to advise him on it very quickly as Kevin dealt with the Magh Nala planning flee
