Re: **Renewal of IPPC Licence IPPC P0306-03 – Forest Laboratories  
Clonsaugh Business & Technology Park, Coolock, Dublin 17.**

Dear Sir/Madam,

The Environmental Health Service (EHS) has reviewed the aforementioned IPPC licence and relevant support material for the above. The EHS reviewed the licence in detail under the following headings:

- Air Quality / Odour Nuisance
- Water Quality

Other areas of the licence were reviewed in less detail.

The EHS considers the licence addresses all the above areas adequately and therefore have no comments to make.

The licence was also issued to Emergency Planning & Public Health Departments. No comments were received by this department.

Yours sincerely,

  
Derek Bauer

Principal Environmental Health Officer.
