To Whom it Concerns

We have had bad smell
from Graider Products on April
11th 2pm onwards $\frac{2}{4}$ Monday 14th $\frac{3}{4}$
Tuesday 15th $\frac{2}{4}$, Wednesday 16th $\frac{3}{4}$
All reported to Marie Fenner
and on Wednesday 30th April we
had it $\frac{4}{4}$ reported to Marie.
To day 7th May we have it $\frac{3}{4}$ again.
Graider Products do not seem
to be able to sort their problem
of odours, we ask the EPA to
close this premises until its sorted.
We are 4 1/2 yrs with these odours

It is now in the hands of
our legal representative

Please put this on the site of
submission.

Thanking you
yours sincerely
Ester Wright

To-day 8th May on poetry
thus we have the smell $\frac{3}{4}$
all around the house we
cannot open windows or doors
