Dear Ms. O'Sullivan,

The Environmental Health Service (EHS) has assessed the Environmental Licence review and the relevant information associated with the above application following notification received from the Environmental Protection Agency (EPA) on 7 May 2014.

In response to the notification of the licence review, the following Health Service Executive departments were made aware of the consultation request on 7 May 2014:

- Emergency Planning;
- Estates – Environmental Services,
- Assistant National Director for Health Protection,
- Regional Director of Operations.

No submissions were received from these departments. Accordingly, the EHS response to the proposal is as follows.

A study of the application, Environmental Impact Statement and associated correspondence and documentation on the EPA website was carried out. No additional measurements/investigations were undertaken.

At present I have no submission or comment to make in relation to this environmental licence review currently being considered by the EPA.

If you have any queries regarding the above please contact the Principal Environmental Health Officer at the above address or telephone 01 860 5871 during normal working hours.

Yours Sincerely,

Jackie Kelly
Principal Environmental Health Officer
