

An Bord Pleanála

Board Direction

Ref: 16.207212

The submissions on this file and the Deputy Planning Officer's memorandum were considered at a Board meeting held on 10th June 2004.

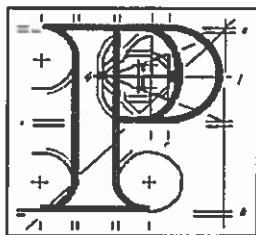

The Board decided, unanimously, that an Oral Hearing should not be held.

Note: The letter informing the parties of this decision should include the following:- having regard to the planning history in relation to this proposed gas terminal and to the amount of background information available arising from the two previous extensive oral hearings already held and the information provided in the planning application and in the EIS....
