Statement from Ballina Chamber of Commerce in Support of Shell E&P Ireland Limited's Application to Develop the Corrib Natural Gas Field

The Ballina Chamber of Commerce would like to broadly support Shell E&P Ireland Limited in their application to develop the Corrib Natural Gas Field.

The Chamber believes the investment of €830 million for this project will be a great economic boost to the area.

Should the gas be made available to towns in Mayo such as Ballina it will act as a catalyst in attracting industry to the area. This is a valuable natural resource that should be used to this region's advantage.

The Ballina Chamber of Commerce is also very conscious of environmental issues and is fully supportive of Shell E&P Ireland subject to all planning conditions being met.
