8<sup>th</sup> June 2004

Planning Application P03/3343

Dear Sir/Madam,

The Erris Chamber of Commerce would like to show their support for the above project. The Chamber feel that this project can and will benefit the Erris region in many ways.

The first benefit will be derived from the employment given in the construction of the terminal and the service industry which will support the construction. This in turn will create the confidence for future investment in the area, which will bring further employment to a region that has been static for a number of years.

It will also create full time positions when the plant is in full production, plus the added services to the terminal i.e. maintenance etc.

The Erris region has not benefited from outside investment over the past number of years and we feel should this project not become a reality it will send out a signal that the Erris area is a no go area as far as economic growth is concerned.

We have every confidence in An Bord Pleanála, its staff and the experts involved in the decision making of the above project that it will yield a positive decision to ensure the future of the Erris region and indeed the County.

Yours faithfully

Pp

  
Pat Cowman
