Glenbeg Poultry Limited, Carrickroe, Co. Monaghan P0878-08**

Dear Sonja,

In reply to your letters requesting observations regarding licences for the above named facilities this Council recommends that:

- (a) All licensed facilities depending of off-site disposal of organic fertilisers and their agents should take account of sensitive areas identified in the County Development Plan 2013 to 2019. The licensee should demonstrate that County Development Plan objectives and policies for protection of waters are integrated into site management, landbank selection and nutrient management planning (including phosphorus application rates). The proposed use of landbanks by licensee and their agents in the catchment of water supply sources should seek approval in writing in advance from the local authority.
- (b) A fully traceable manure movement system for off site movement of manures is provided by licensee and available for inspection.

I trust this to be satisfactory.

Yours faithfully,

Joan Ryan
