Sonja,

I refer to your recent correspondence concerning the attached. The Department of Agriculture, Food and the Marine suggests that the following be taken into consideration.

The operations proposed on the site and the receipt/discharge of waste materials shall be regulated, as appropriate, by the following:

- Animal By-Products Regulations (Commission Regulation (EC) No. 1069/2009)
- Regulations and Guidelines pursuant to the Nitrates Directive 91/676/EEC, the Water Framework Directive 2000/60/EC and Groundwater Directives 2006/118/EC as implemented by the Department of Agriculture, Food and the Marine.

In addition the buildings and structures associated with the proposed development should be constructed in accordance with DAFM specifications for Farm Buildings and Structures.

Apologies for the late response.

Kind Regards

Joan
