RE: Our clients: Monica Muller and Peter Sweetman.
On going works at Bellanaboy, Co Mayo
Reg No: P0738-03

Dear Sir or Madam,

We act for Monica Muller and Peter Sweetman who reside adjoining the Shell site at Bellanaboy and who have instructed us to write having regard to EPA correspondence dated the 4th of February 2015 to Gerry Costello of Shell E&P Ireland Limited.

We note that the Agency is requiring that a supplemental EIS is submitted, please confirm that this additional information is to be considered as part of the Environmental Impact Assessment which the Agency is carrying out. Please also confirm that the information submitted will be considered as part of the Appropriate Assessment which is required to be carried out under the Habitats Directive.

Furthermore please confirm that all further information received will be circulated to our clients and that they will be afforded an opportunity to make submissions in relation to same.
