Dear Sir/Madam,

- The report is based on an assessment of documentation submitted to this office on the 20<sup>th</sup> January 2015 by the EPA.
- All commitments to future actions including mitigation and further testing have been taken as read and all data results have been accepted as accurate.
- No additional investigations / measurements were undertaken.
- This report refers only to those sections of the documents which are relevant to the HSE.

**Observations/Recommendations**

Proposed impacts which have potential public health and environmental implications have been assessed and examined in the context of the application.

If all the mitigation measures identified in the licence application are adhered to, the Environmental Health Department of the HSE South would not have any general concerns with this licence.

All correspondence or any queries with regard to this report including acknowledgement of this report should be forwarded to Ms. Bernadine Scanlan, A/PEHO, Environmental Health Dept., St. Joseph's Rd., Mallow, Co. Cork.

Yours Sincerely,

Caroline Ludlow  
Environmental Health Officer
