Subject: Written submission

Dear Noeleen,

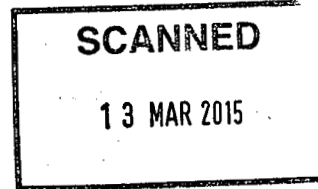

I would like to make a further written submission regarding my own and others objections regarding license application W0272-01 at Milverton Quarry, Skerries, Co. Dublin

I would like to submit to you a petition that was started and was signed by 770 people. It can be found here http://www.petitions24.com/stop_skerries_quarry_being_turned_into_a_landfill_site

I believe it shows that there is strong feeling from the people of Skerries on this matter, who do not want this waste facility to destroy the quarry and would ask you to take it into consideration when assessing the application for the license.

Kind Regards,
