**Re: Notification under Section 87(1E) of the EPA Act 1992 as amended.
Re. No. P0938-02 Skeagh Farms.**

Dear Madam,

In relation to correspondence from the EPA dated 21st April 2015, and received by the Planning Department on 6th May 2015, and on foot of previous notification by the Planning Authority to the EPA dated 10th November, I wish to confirm that Skeagh Farms has secured Planning Permission for the construction of two additional pig houses which allows for an increase in capacity from 5,250 production pigs to 9,950 production pigs. It is noted that the documentation submitted with the planning application allows for a variation of +/- 10% which would equate to approval up to a maximum of 10,945 production pigs.

This planning permission was granted by Offaly County Council under file reference number PL2/14/76 in a decision dated 31/10/2014.

Yours faithfully,

Administrative Officer
Planning Department.
