

Submission No 5.

7 The Mews,  
Castle Ave.,  
Clontarf,  
Dublin 3.

To whom it may concern,

I am very concerned about the dumping of Port & Docks Board in Dublin Bay. I was down on Dollymount Strand a few nights ago & amazed at the amount of birds & varieties that I saw. So many of them come there to breed. Please do all you can to stop this dumping from taking place & destroying not just the lovely beach but our very important bird sanctuary.

A very concerned citizen

Anne Maria Rice.
