Subject: Dumping in Dublin Bay

I wish to lodge my objection to Dublin Port Company application for permission to dump silt / sand in Dublin Bay.

As a resident of Clontarf I have been very concerned over many years about the way the Dublin Port Company has completely disregarded the value of the Bay to the people of Dublin.

It is a wonderful amenity and must be protected.

If any dumping of silt is required it must be brought much farther out, to very deep water, where it would have a lesser impact.

Kind regards,
Pamela foley
