Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. As an activer diver I am very concerned about the damage being done to the local area. As well the environmental impact the dumping will have on marine wildlife and plant life.

Yours sincerely,

Tracey McGiff
