Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

I am a diver who regularly uses the waters for recreational diving. The project appears to take no consideration into account for the local dublin population already using this area.

Yours sincerely,

john Needham
