Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. I'm from the beautiful county of Dublin and see Dublin Bay is not just part of the local scenery, it is part of my home and my community. Why destroy it for ourselves and our future generations?

Yours sincerely,

Derdriu Whyte
