Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. There is no right of the commercial and administrative entities in this country to dump waste into the Irish ocean. You must not permit this behaviour to happen.

Yours sincerely,

Niall O'Rourke
