Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. Dublin Bay is "Our" bay and not the private dumping ground belonging to Dublin Port. There are alternative means of disposing of this dredge material - and alternative sites !!!

Yours sincerely,

Ferghil Henderson
