I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. My god I don't even need to voice my concerns take a look at our environment as it is ...condoms sanitary towels tampons to name but a few that are washed up on our beaches everyday what are you doing trying to kill every living thing around us this breaks my heart

Yours sincerely,

audrey long
