Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.
As I am a regular user of the beach as a kitesurfer I have serious concerns in relation to the effect this activity will have on the water quality at my favorite kitesurfing location not to mention the environmental impact on such a beautiful amenity.

Yours sincerely,

Richie Ryan
