Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I want to express my concern at the proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste dumped into Dublin Bay.

The casual redistribution of such a vast amount of sediment and dredge waste could have a disastrous effect on the bay and damage the wildlife species the bay is famous for.

Yours sincerely,

Joseph Culley

Conquer Hill Ave, Clontarf
Dublin
