Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

I am a keen kitesurfer and regular beach and water user at Dollymount & Sutton.

I am concerned at the potential impact of dredging and dumping on the water quality, wildlife and coastline in the area and urge you to reconsider the licence for this project.

Yours sincerely,

Fiachra Sweeney
