Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. I am a frequent user of the beach as a kitesurfer . Poor water quality / red flag would mean I would be putting my health at risk to practice the sport. This is just not acceptable.

Yours sincerely,

Jennie Blayney
