Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. This is a disgrace. The people spoke before. The Dublin port authority is only concerned with profit. no dredging up toxic waste. Dunlaoire is under used. Perfect for cruise ships. Do NOT contaminate our bay.

Yours sincerely,

lillian spelman
