Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern at the recent proposal of Dublin Port to undertake dredging that will see 9.7 million tonnes of sediment and dredge waste dumped in the bay. It could have a disastrous effect of the epifauna of the bay and could negatively impact on the protected wildlife species the bay is famous for.

Yours sincerely,

Eithne O'CONNELL

Garristown
Dublin
