Licensing | Environmental Protection Agency [licensing@epa.ie](mailto:licensing@epa.ie)

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. I object because Dublin Bay is an important ecosystem not a dump. Best practise now is to recycle waste material on site and failing that disposal at a licensed landfill.

Yours sincerely,

Mary Tubridy
