I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

I am a scuba diving that has enjoyed diving in Dublin bay from Howth to dun laoghaire. I have spoken to people world wide while diving in their country about Dublin diving and the many fish life that is in the bay.

Please don't do this. It will have a huge effect on the sea life.

Yours sincerely,

Jackie Mcloughlin
