Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. My concern relates to the likely silting up of the sea around bull island as since the causeway was built the amount of silt has dramatically increased and the dumping as proposed will only make this considerably worse.

Yours sincerely,

Ray Loughran
