Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. This should occur far further out in the Irish sea where it won't have implications for the tidal flow in the bay.

Yours sincerely,

Kathryn Rogers

206 Clontarf Road
Dublin
