Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

I visited Dublin several times recently to research my family history. Together with a friend and we walked around Dublin Bay admiring the clean water and pretty beaches as we headed south. Please don't risk this asset so close to the city.

Yours sincerely,

Elizabeth Thomas
