Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

It is the most ridiculous idea I've heard in a long time! Please see sense and preserve our bay for my children and my children's children!

You already know that this is a terrible idea.

Yours sincerely,

Oisín Corcoran
