Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

We are supposed to be a 'green' country that puts our environment to the fore. The dumping of dredge could have a detrimental effect on wildlife, fish stock, as well as tourism, sea sports activity. I am strongly opposed to this move.

Yours sincerely,

Martin Byrne
