Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

The quality of water on our local beaches will be damaged irreparably. How dare you consider this acceptable. This is our communists that you are destroying.

Yours sincerely,

Melissa Furze
