I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

We are swimmers in and lovers of Dublin bay, it is simply outrageous that this dredging and dumping is occurring, and that Dun Laoghaire is planning to do the same.

Please act strongly ensure that this dumping does not proceed. A full independent EIA needs to be undertaken immediately.

Yours sincerely,

Paul Price
